

The Sage of Sugar Hill: George S. Schuyler and the Harlem Renaissance

"This is a brilliant book. Jeffrey Ferguson has made an extraordinary contribution to the intellectual history of George Schuyler and the Harlem Renaissance and also to contemporary debates about the form and content of racial politics."
—EDDIE GLAUDE, Princeton University

"Schuyler is all too often left off lists of twentieth-century black intellectuals, yet there are few whose careers are so lengthy and fascinating. Ferguson's study is a major contribution to our understanding of this important figure."
—FARAH GRIFFIN, Columbia University

JEFFREY B. FERGUSON is assistant professor of black studies and American studies at Amherst College.
